

About us

Location and facilities We are a school specialising in business-orientated post-baccalauréat courses. We are located in a beautiful building situated in the Marais – one of the most historical and spell-binding districts of Paris. We have 6 networked I.T. rooms, a language laboratory and a documentation centre.

Personnel We have an experienced and dynamic teaching team who are experts in their respective fields. We have been successfully running this course for 12 years.

Our loyal partners

The town council of the 3rd district of Paris

The CGPME (Confederation of small businesses)

A vast network of renowned businesses based in and around Paris including : The Societe Generale Bank, AC Langues (A business language school), RoyalLimoges (chinaware), Bergeret & Jeanet (industrial radiology), Renault, RATP, Computer Engineering, ADDIA (temporary employment).

A practical scheme : we encourage our students to develop a multitude of skills, including :
